Gary,
Work from the previous general San Jacinto fact sheet, not the one that we just prepared for the Harris County Letter.
We may want to include some of this information, but it should be more general and cover overall site activities. CAS

We will need fact sheets on San Jacinto, N. Cav, S. Cav, and Longhorn. Note the fairly short due date here (Noon July 22). I asked Mike McCorkhill for the last approved versions of these sites to use since they seem to change a lot once they leave our shop.

Subject: Hot Issues - Austin, TX

Good afternoon everyone,

I hope everyone is doing well and thanks for getting me the New Mexico issues.

The RA is on the road again, this time to Austin, TX. He'll be speaking at StormCon on Tuesday, Aug 4. He'll be returning to Austin on Thursday, Aug 6, to speak at the annual Environmental Superconference which is hosted by various environmental law firms. TCEQ Chairman Shaw and Commissioner Toby Baker will be speaking at the Superconference along with EPA Deputy Administrator Stan Meiburg and EPA Principal Deputy Administrator Larry Starfield.

If you have any hot issues regarding Austin, TCEQ, or the Superconference, please submit them to me by **Noon on Thursday, July 30**, in the We Care format.

Let me know if you have any questions and thanks again!
